

Hot List 2015: The Best New Hotels in the World

Our staff and contributors vetted more than a hundred recently opened hotels and resorts, from West Africa to Miami, and found that what stands out are the properties that combine old-school extravagance and service with just the right measure of modernity. Here are the 60 best new hotels in the world.

Belle Mont Farm on Kittitian Hill, St. Kitts & Nevis

Eighty-four guest-houses—each with a wraparound veranda—are spread across a 400-acre organic farm that grows a cornucopia of fruits and vegetables. *Category:* [Good Food](#)
